

Dear VCS Families,

The 2020-2021 school year is one of opportunity and possibility. At VCS, we are committed to providing your student with a high-quality education that combines consistency, safety, and a commitment to the goal of our students returning to campus.

The VCS leadership team reviewed input from all stakeholders, sought guidance from local health officials, researched best practices, and solicited the help of a consultant to create the VCS Reopening Plan for the 2020-2021 school year. As a school of choice, we believe our parents have a choice.

The full VCS Reopening Plan can be found at valleychristianschools.net. Priority #4 of this plan details family voice and choice. Each VCS family is asked to complete a **VCS Reopening Plan Option Form**, indicating the option that is best for your student(s).

Option 1: Families and students choosing this option will engage in

100% distance learning for the first semester ending on January 22, 2021. Students selecting this option are required to attend daily, scheduled sessions of live instruction via Zoom.

Option 2: Families and students choosing this option will participate in a phased reopening plan which begins online and then safely and slowly reintegrates students to campus. VCS will assess the stability of our school community and seek guidance from local health officials before bringing students back on campus in any phase of this plan.

Please complete a form for each student enrolled at VCS.

We feel the phased approach is the best way to navigate the uncertainty of the COVID-19 pandemic. This approach allows us to provide a consistent start to learning, while also allowing us time to ensure the safest environment possible for your student(s).

In closing, please remember to visit our website at valleychristianschools.net to view the full plan and access the VCS Reopening Plan Option Form. **FORMS MUST BE SUBMITTED BY MONDAY, AUGUST 17TH.**

We appreciate your patience and prayers as we have worked toward the best possible plan for your student entering the upcoming school year.

We look forward to seeing you soon!
