

Policy & Unpaid Meal Charge Policy

Valley Christian Schools Food Services Department

Purpose

The Valley Christian Schools Food Services Department provides nourishing meals to our students and helps fuel their learning in the classroom. The department operates as a self-funded entity, like any other business, and unpaid meal charges place a large financial burden on the school. The intent of this policy is:

- i. To be transparent with our families on the school procedures for handling unpaid meal charges
- ii. To establish policies that are age-appropriate for our students
- iii. To encourage parent/guardian responsibility of meal payments and charges
- iv. To outline the actions the school will take to implement and enforce the policy and collect outstanding debts

Purchasing & Payments in the Cafeteria

Every student has a meal account created during the enrollment process. Students use their Student ID number to access their account and make purchases in the cafeteria. Purchase restrictions must be arranged with the Food Services Dept. directly at 330-788-8088 ext. 1113. Money can be applied to a student's account electronically through the school website under student services. Cash or check may be sent in an envelope, marked with the student's name and ID number, to your student's cafeteria. Payments are applied to negative meal debt first, if applicable, and any additional funds will remain as a positive balance for future purchases. In-line credit card payments will begin during the 2023/2024 school year.

Charging Meals (Negative Account Balances)

Meal charges in the cafeteria are to be made in emergency situations when a student has forgotten their lunch or money. Only complete meals can be charged; extras cannot be charged. Extra purchases are prohibited when an account has a negative balance. Charging meals is like using a credit card. Meals can be charged to a meal account with payment made at a later time. Charging occurs when a student does not have enough money in their meal account to cover a purchase, causing a negative account balance (or meal debt). Parents are responsible for paying all meal debt on their student's meal account. Keep in mind that a student's meal account balance can fluctuate multiple times each day due to payments made and/or meal and a la carte purchases.

Notification and Collection of Meal Debt

Parents are responsible for their student's meal account. The Food Service department frequently attempts to notify families of negative meal account balances. Parents and/or guardians are notified by email or text of their child's lunch account on a monthly basis and are able to check online through the school website.

Free Status Students

Eligibility for free meal benefits starts the day an application is approved in our system. Until that time, parents are responsible for providing lunch money or a packed lunch and for paying back any meal debt accumulated prior to approval. The debt will remain on the account until the parent pays it off in full. New applications must be filled out each September even if one is already on file.

Charge limits

Students who have a negative balance of more than \$30.00 will be given an alternative meal that consists of a cereal bowl, fruit, two cheese sticks, a grain product, and milk. In addition, students who owe more than \$30.00, which is the equivalent of 2 weeks of charged breakfasts and lunches, will not be allowed to purchase any extra items such as snacks, drinks, or WAMs (extra entrée' purchased with a meal) or be able to order Eagle Eats.

Meal debt is a school fee that remains and accumulates with the student throughout their enrollment at Valley Christian Schools. Meal debt must be paid before withdrawing or graduating. As the school continues to make debt collection efforts, certain privileges may be revoked at the district and building principal's discretion, such as:

1. Report cards and transcripts held
2. Non-academic field trip privileges held
3. Fun day privileges held
4. Admission into Homecoming/Prom prohibited
5. Limiting participation in seasonal sports

NOTE: This policy is exclusive to meal debt in the cafeteria and does not include academic school fees

Staff Charge limits

Staff will be permitted to charge up to \$40.00 in food or drink purchases. No charges can be made after reaching that limit. Payroll deductions may be applied for accounts higher than \$30.00. Arrangements can be made with the food service director.

Food Service Information 2023/2024 School Year

- All students will eat in the cafeteria or assigned area
- The menu is subject to change due to unforeseen circumstances
- Student's may purchase a school lunch or bring a packed lunch from home upon arrival
- Lunch consists of an entree (2 meat, 2 grain), fruit, vegetable, and milk. Students are offered 5 components to a meal. Only three are required, one must be a fruit or vegetable. The other two components are optional.
- Bottled water, 100% fruit juice, milk, and a-la-carte items are available from the cafeteria for all students to purchase
- Meals from outside establishments may not be purchased for delivery by or for students. (No KFC, Subway, etc. deliveries). Please note that VCS is a closed campus, which means that students may not leave the school grounds to purchase lunch elsewhere. No deliveries of lunches to the school during lunchtime from parents or establishments. This is a time and temperature concern with food-bourne illness.
- Extras, snacks, ice cream, and drinks will be available to purchase. There will be no charging of these items. Students must have money on their account or cash in hand to purchase extras.
- WAM's are offered at the central and PG campuses. This is a program that if a child receives a meal then they may buy an extra entree for \$1.00 (With A Meal). Otherwise an entree is \$1.75.
- No microwave use for packed lunches due to temperature cooking guidelines and allergy concerns.
- No child may purchase extras or order Eagle Eats if their account is in the negative.
